SCALING STARTS HERE.

We're on a mission to make Chicago the place where companies and entrepreneurs come to connect and scale. TeamWorking by TechNexus is a shared collaborative space for teams looking to redefine what it means to be "back in the office" and build, bigger and faster together.

GREAT LOCATION

TeamWorking by TechNexus is an inclusive community for entrepreneurs, innovators, executives, and teams located at 20 N. Wacker Drive.

The collaborative shared space is centrally located in downtown Chicago and is a five-minute walk from major transit hubs like Chicago Union Station, Ogilvie Transportation Center, and the CTA Loop.

TeamWorking by TechNexus's prime downtown location leads to its collaborative atmosphere right at the heart of Chicago, with a streamlined commute and a variety of travel options for its members.
